2 1/2 oz. jar, with screw cap \$.35

6 oz. jar with plastic retrieving tray .. \$.80

16 oz. bottle, with screw cap \$2.00

Please Order These Items Only From Your Dealer

HIGGINS PEN CLEANER is made especially for effortless cleaning of pens and instruments encrusted with dried waterproof drawing ink.

It cleans them thoroughly, easily, quickly . . . leaving them actually better than new because they are "broken in."

It's odorless, non-inflammable, non-volatile. Harmless to hands, brushes, clothes and instruments. Economical, too, because you can use it over and over again!

Prices shown are U.S.A. unit retail prices, subject to change without notice.
